Annual Dues Renewal

2008 has been quite a year for GALA Choruses and we can't wait to get started on 2009. We have GALA 2009 Columbus to organize, a series of regional choral workshops with Tim Seelig, the European debut of Sing for the Cure in London, site selection for Festival 2012, the launch of our youth activities fund and so much more to work on.

January 1 is membership dues renewal time. As you will recall, in 2008 we switched to the online membership system so all of your membership data is still online. All you need to do is [click here](#) to update your membership record for any changes and process the dues payment. When you created your membership record you set up an email address and password. If you don't recall your login (or there has been turnover and you're not the one who set it up) email info@galachoruses.org and we will look it up for you. We cannot access your password but we can have it sent to whatever email address you direct.

We have added your GALA Chorus web site Members Only section logon and password to your membership record for your convenience. We have also added fields for the name and email of your accompanist and ASL interpreter as we are asked on occasion if there is a way to reach all GALA Chorus accompanists, etc.

Happy Holidays and we hope to see many of you in San Antonio for the Manager's & Director's meeting!

Robin Godfrey
General Manager, GALA Choruses
