Festival 2012

Requests for proposals will go out to cities with suitable performance venues in the fall of 2008. Site inspections will occur in the spring of 2009. We expect to announce the location for Festival 2012 at the Leadership Conference in Columbus on Labor Day Weekend in 2009.

If you have a city you wish to have considered as the location for Festival 2012 please contact Kathie Michael at events@galachoruses.org

What an incredible experience it was to share Festival 2008 Miami with all of you! Many thanks for all the kind words and emails. Let's work hard to stay in touch. There is much work to do to channel the enthusiasm we all felt in Miami into real progress for our movement.

Sincerely,

GALA Choruses

Singer Network from Chorus America

Chorus America has created an exciting new website by, for, and about choral singers. It was launched in May, and offers an incredible array of articles, resources, and tools on choral singing and repertoire, as well as a user-submitted choral recordings list and events calendar, and a community forum where singers can talk

together and post pictures and queries.

For the next 3 weeks, Singer Network is offering a special 30% membership discount for members of GALA Choruses-the offer is good through Sunday, August 24.

Singer Network is a service of Chorus America, a nonprofit organization that serves all choruses. If you aren't familiar with Chorus America, we can assure you that this is a reputable organization with the best interests of the choral field at heart.

Click on the link below to find out more about Singer Network. We think the quality of its offering will speak for itself. Go ahead and take the tour-and happy travels!
