GALA Choruses' Men at Sea

GALA Choruses is exploring the possibility of a trial run for an exciting new event and we need your opinion. Please respond to the email address below and share your thoughts with us.

We are currently working with RSVP Vacations and developing the "GALA Chorus Men at Sea" concept. GALA Chorus' men would be invited to join a regularly scheduled [RSVP](#) sailing this upcoming April 18, 2009 on the Norwegian Star to the Mexican Riviera. During this seven day RSVP cruise we would hold choral workshops with a noted conductor and rehearsals for an onboard performance in the ship's cabaret lounge. There would also be a benefit performance on land in Puerto Vallarta. There would be plenty of time to play in the sun and party the night away enjoying the scheduled RSVP cruise events.

This seven night cruise departs from the Port of Los Angeles on Saturday April 18, 2009 and visits the Mexican ports of Cabo San Lucas, Mazatlan and Puerto Vallarta, returning to L.A. on Saturday April 25, 2009. The fare for the cruise varies with the cabin level chosen. Prices start at \$949. Fares are per person based on double occupancy. RSVP has offered GALA Choruses a special "third person in a cabin" discounted fare of \$199 for the third passenger. With this third person in a cabin special the booking fare could be as low as \$699 per passenger. As is customary with all cruises, there is an additional port fee and prepaid gratuity fee which add a total of \$233 per passenger.
