2008 Membership Renewal and Compensation Survey Available Online

The dues renewal process for 2008 is now online. [Click here](#) to process your renewal paperwork and payment. As with any new process there may be some bugs to be worked out so please call the GALA Pittsburgh office at 412-322-4260 if you have any difficulties with the software.

A compensation survey is also available online. Throughout the year we get many requests for information on comparable salaries for artistic or executive directors of similar size choruses. This survey is the source of the data we use to reply to those requests. **No individual choruses data will be released.** We will publish the results of the survey by chorus size category and metropolitan area size. Please [click here](#) to complete the compensation survey. For the survey results to be meaningful, we need the participation of a high percentage of our member choruses so please take a few moments to complete the survey.
