Housing Webinar Details

In order to broadcast the housing website we have had to make some slight changes to the log-on process for tonight's webinar. The instructions are shown below. After you click on the meeting link shown below **it is critically important that you choose "Light Version" when the screen prompts you to make a choice.** If you have difficulties logging on please call 888-966-8686 which will get you to the InterCall Web Meeting tech support people.

The webinar will begin at 5:30 EDT. To join online, click the link below. You no longer need to call into the audio conference. Once the moderator arrives, the service will automatically dial your phone number or prompt you to join the audio broadcast.
