25th Years of GALA Choruses in Film

Be included in the history of GALA. Take action now to make sure your chorus is not left out of this exciting documentary.

GALA Choruses is producing an hour-long film looking back at our 25-year history. The roots of the movement began before 1983 and will be chronicled of course, but the documentary will focus on the 25 years since the actual formation of GALA Choruses, Inc.

We want you to be a part of it!

With 25 years, hundreds of choruses and thousands of singers, it is a huge undertaking and impossible to include it all. However, now is your chance to share in the spotlight.

We need each GALA chorus to send in pictures and short video clips for possible inclusion the film.

The deadline for submission is April 15 (tax day!).

We know that is not much time, but in order to complete the project, it is a short turn around.

You can do it!
