DANCE WITH THE STORM
Lyrics and music by Andrew Lippa
Performed by San Francisco Gay Men’s Chorus

Now the quiet has returned.
Have I learned what must be learned?
I can see the power around me,
But I’ve lost the strength to move.
I have struggled through the rain.
Felt the sting of ev’ry pain.
Do I take a step and follow?
Do I trust that all is well?

If I dance with the storm,
I’ll be safe in your arms.
I can see past tomorrow,
I can feel all your love.
If I dance with the storm,
I’ll be safe, I’ll be whole.
I can run, I can rise,
I can face all goodbyes,
If I dance with the storm.

Now the quiet has returned.
Have I learned what must be learned?
I can see the power around me,
But I’ve lost the strength to move.
I have struggled through the rain.
Felt the sting of ev’ry pain.
Do I take a step and follow?
Do I trust that all is well?

If I dance with the storm,
I’ll be safe in your arms.
I can see past tomorrow,
I can feel all your love.
If I dance with the storm,
I’ll be safe, I’ll be whole.
I can run, I can rise,
WHAT IF TRUTH IS ALL WE HAVE
From Quiet No More
Lyrics & music by Ann Hampton Callaway
Performed by New York City Gay Men’s Chorus

Now I lay me down to sleeplessness.
A parade of questions fills my mind
As no answers come on how to leave the hate behind.

Headlines flatline my faith in mankind.
What world are we in?
Two steps forward, two steps back,
Please tell me, where do we begin?

Why is this nation that I cherish, "My country, 'tis of thee"
A not sweet but bitter land besieged by bigotry?
How many more marches to march, phone calls to make,
Hearts and minds to wake?

When the road's this rough and enough is enough,
How can we unhate the hate?
How can we cope, when it's not enough to hope?

What if truth is all we have?
What if truth is all we can hold on to?
What if truth is all we have?
As we fight for rights some try to undo.

What if truth is all we have?
If we stand in our light can we get through?
What if truth is all we have?
In this sea of lies, can we stay true?

And is equality a destination?
Or is it small wins day by day?
Have we been searching for somewheres
over the rainbows,
When it's ev'ry step of the way?

What if truth is all we have?
What if truth is all we can hold on to?
What if truth is all we have?
As we fight for rights some try to undo.

What if truth is all we have? (2x)
If we stand in our light can we get through?
What if truth is all we have?
In this sea of lies, can our dreams come true?

What if truth is all we have?
If we stand in our light can we get through?
We gotta hold on, hold on, hold on, hold on!
What if truth is all we have?
What if truth is all we can hold on to?
GLOW
Lyrics by Edward Esch and Lisa Edwards
Music by Eric Whitacre, Arranged by Emily Crocker
Performed by Bridging Voices Youth Chorus

Softly falls the winter snow,
whispers to the sleeping world below:
“Wintertide awakes,”
morning breaks and sets the earth aglow.

In gentle tones of warmest white,
Proclaim the glory of Aurora’s light.
Sparrow sings in a clear clean voice,
a sweet, silver carol for the season born.
Radiant wings as the skies rejoice,
Arise and illuminate the morn.

Softly falls the morning snow,
whispers to the sleeping world below:
“Glow, like the softly falling snow.” Glow.

UBI CARITAS — CHARITY AND LOVE
From Street Requiem
Music by Jonathon Welch, Lyrics by Andy Payne
Arranged by Kathleen McGuire
Performed by Lesbian/Gay Chorus of San Francisco

What is it that scares you when it’s change I’m looking for?
What is it that scares you, that makes you bar the door?
What is it that scares you when my hand’s stretched out this way?
What is it that scares you, that makes you turn away?

Why do you spend your time now watching life from the stalls?
When all the drama happens outside the concert hall.

Ubi caritas et amor deus ibi est.
(Where there is charity and love, there you will find the spirit of god.)

What is it that makes you rush past me, who can tell?
Can it be you see now our lives in parallel?
What is it that scares you, that makes you turn away?
What is it that scares you when I’m dying in this way?

Why do you spend your time now watching life from the stalls?
Ubi caritas et amor deus ibi est.
Kyrie eleison, Christe eleieson
**I WILL ALWAYS LOVE YOU**
Lyrics & music by Dolly Parton
Arranged by Rob Bradley
Performed by Halifax Gay Men’s Chorus

If I should stay
I would only be in your way
So I’ll go, but I know
I’ll think of you each step of the way
And I will always love you
Will always love you
Bitter sweet memories
That’s all I have and all I’m taking with me
So good-bye, please don’t cry
We both know I’m not what you need

And I will always love you
I will always love you
I hope life treats you kind
And I hope you have all that you ever dreamed of
And I wish you joy, and happiness
But above all of this I wish you love
And I will always love you
I will always love you

**CAN WE SING THE DARKNESS TO LIGHT**
Lyrics and music by Kyle Pederson
Performed by OurSong: The Atlanta Gay and Lesbian Chorus

What if instead of more violence,
we let our weapons fall silent.
No more revenge or retribution,
no more war or persecution.
It could be beautiful, it could be beautiful.
Beautiful, it could be beautiful.

What if instead of our judgement,
we soften our hearts that have hardened.
Instead of certainty and pride,
we love and sacrifice?
It could be beautiful, it could be beautiful.
Beautiful, it could be beautiful.

Can we see the other as our sister or brother?
Oh, can we see the other as our brother?

Oh, can we see the darkness to light?
Sounding chords of compassion and grace?
Set the swords of judgement aside,
let mercy’s eyes see the human face.
Can we sing the darkness to light?
Can we sing? Can we sing?
In a dark time when fear and confusion reign,
And hatred casts a shadow on the stage,
A power play

So easy to despair, but we don’t have time to waste!
We will not be silent
We’ll fight like a girl,
All over the world we rise,
Together we rise!

We the people,
Stand united, against the hate,
We the people,
Say no, no, no, no, not in my name!

We flood the streets,
With cardboard signs
As millions of lifted voices cry,
No hate, no fear, refugees are welcome here,
No wall, no ban, yes we still can

My body, my choice, better listen to my voice
And black lives matter,
Girls just wanna have fun-damental rights,
Don’t you think it’s time to stop being so polite,
I’m gonna be the change I want to see in this land
From Jacksonville to Ketchikan

From seven continents, and fifty divided states
Left or right we all know something’s wrong
Come join our song

With the whole world watching
Our differences are our strengths,
No human is illegal,

Stay focused and strong, everybody belongs,
We rise! Together we rise!

We the people
Nasty women and our friends,
We the people,
Show up, dive in, persevere to the end,
With kindness and generosity,
Build bridges of hope and liberty

Listen to the wisdom of the First Nations
Climate change is real, stand up for education
A woman’s place is in this revolution
Never surrender,

Respect my existence or expect resistance,
And keep your mitts OFF my lady bits,
Our rights are not up for grabs, and neither are we,
Equality Equality for all

Girls to the front time to get in formation
(We Rise)
If you’re not outraged, you’re not paying attention
(We Rise)
Love not hate makes America great
We Rise
We the people
(We will not be silent)
We the people
Together, together
(We Rise)
No hate no fear
Stand up, persevere
We Rise
PASS ME NOT
Composed by Frances J. Crosby
Performed by Lavender Light Gospel Choir

Pass me not, O gentle Savior,
Hear my humble cry;
While on others Thou art calling,
Do not pass me by.

Refrain:
Savior, Savior,
Hear my humble cry,
While on others Thou art calling,
Do not pass me by.

Kneeling there in deep contrition,
Help my unbelief.

Let me at Thy throne of mercy
Find a sweet relief;

Trusting only in Thy merit,
Would I seek Thy face;
Heal my wounded, broken spirit,
Save me by Thy grace.

Thou the spring of all my comfort,
More than life to me,
Whom have I on earth beside Thee,
Whom in Heav’n but Thee.

GOD SAYS YES TO ME
Lyrics by Kaylin Haught
Music by Paul Carey
Performed by Indianapolis Women’s Choir

I asked God if it was okay to be melodramatic
and she said yes
I asked her if it was okay to be short
and she said it sure is
I asked her if I could wear nail polish
or not wear nail polish
and she said honey
she calls me that sometimes
she said you can do just exactly
what you want to
Thanks God I said
what if I cavort with squawking saints
forage with a crowd of long legged water angels
sail with a regatta of white pelicans
sing glory hallelujah with the cormorants
drying their wings over the water
and she said Baby I made you for this
cavort as you wish
And is it even okay if I don't paragraph
my letters
Sweetcakes God said
who knows where she picked that up
what I'm telling you is
Yes Yes Yes
**TRULY BRAVE**  
Lyrics & music by Sara Bareilles, Jack Antonoff, Billy Steinberg and Tom Kelly  
Performed by The Rainbow Chorale of Delaware

You with the sad eyes don't be discouraged  
Oh I realize its hard to take courage  
In a world full of people you can lose sight of it all  
And the darkness inside you makes you feel so small

You can be amazing, you can turn a phrase into a weapon or a drug  
You can be the outcast, or be the backlash of somebody's lack of love  
I wonder what could happen

I see your true colors shining through  
I see your true colors and that's why I love you  
So don't be afraid to let them show  
I wanna see you, just wanna see you  
I wanna see you, I wanna see you be brave

Show me your smile, everybody’s been there  
Don't be unhappy, can't remember when I last saw you laughing  
If this world makes you crazy and you've taken all you can bear  
Just call me up and you know I'll be there  
call me up and you know I'll be there  
call me up, come on and you know I'll be there

Say what you wanna say, and let the words fall out  
Honestly I wanna see you be brave  
With what you want to say, and let the words fall out  
Honestly I wanna see you be brave

Don't be afraid to let them show  
Your true colors, your true colors are beautiful  
And since your history of silence  
I can’t remember when I saw you laughing  
Let the words be anything but empty  
Just call me up, you know I'll be there  
And I see your true colors shining through  
I see your true colors shining through  
Say what you want to say and let the words fall out  
True colors, honestly I wanna see you be brave

And I see your true colors, let them show  
Don’t be afraid, I wanna see you be brave  
I wanna see you be brave  
Just wanna see you, I wanna see you  
I wanna see you be brave, I wanna see you  
Just wanna see you, I wanna see you  
Don’t be afraid – ooh, ooh
FESTIVE AND FABULOUS

Festive and Fabulous
Is our way this holiday
We are so gay
Come on out and play HEY

Glitz and glitter with a jingle and flitter
"Tis the season now
Sa shay onward ho, this I truly know
Makes us merry and bright
Festive and Fabulous tonight

Candles, stars Oh my
It could make you cry
Just look at that tree (SIGH)
Cookies, cakes galore
Feed my spirits more
Wrapping gifts for days and

Parties are our thing
Jing a ling a ling
Makes us merry and bright
Festive and Fabulous tonight

We're gonna raise the roof
Raise the roof
We could sizzle all night
We're gonna raise the roof
Raise the roof
Festive and Fabulous

It's here my dear, comes once a year
but we'll not shed a tear- clear?!
When the season's gone, we rely upon
all our year long sparkle
So without delay, this is what we say
Makes us merry and bright
Festive and Fabulous
Festive and Fabulous
Festive and Fabulous

Tonight, tonight, tonight, tonight
(Festive and Fabulous)
Tonight!
DON’T GIVE UP
Lyrics & music by Peter Gabriel
Performed by Maggie Szabo & Trans Chorus of Los Angeles

In this proud land we grew up strong, we were wanted all along
I was taught to fight, taught to win - I never thought I could fail

No fight left or so it seems, I am a man whose dreams have all deserted
I've changed my name, I've changed my face
But no one wants you when you lose

Don't give up 'cause you have friends
Don't give up, you're not beaten yet
Don't give up, I know you can make it good

Though I saw it all around, never thought I could be affected
Thought that we'd be the last to go, it is so strange the way things turn

Drove the night toward my home
The place that I was born, on the lakeside
As daylight broke, I saw the earth
The trees had burned down to the ground

Don't give up, you still have us
Don't give up, we don't need much of anything
Don't give up, 'cause somewhere there's a place
Where we belong

Rest your head, you worry too much
It's going to be alright when times get rough
You can fall back on us, don't give up
Please don't give up

'Got to walk out of here, I can't take anymore
Going to stand on that bridge, keep my eyes down below
Whatever may come and whatever may go
That river's flowing, that river's flowing
Moved on to another town, tried hard to settle down
For every job, so many men, so many men no-one needs

Don't give up, 'cause you have friends
Don't give up, you're not the only one
Don't give up, no reason to be ashamed
Don't give up, you still have us
Don't give up now, we're proud of who you are
Don't give up, you know it's never been easy
Don't give up, 'cause I believe there's a place
There's a place where we belong

We shall overcome, We shall overcome
We shall overcome, We shall overcome
Senzenina, Senzenina
Senzenina, Senzenina
Senzenina, Senzenina
Senzenina

My soul looks back in wonder,
wonderin’ how I got over.
My soul looks back in wonder,
wonderin’ how I got over.
I know how I got over:
singin’ it over and over.
I know that’s how I made it,
How I made it over, how I made it over, how I made it over.
How I made it over.
How I made it over.
How I made it over.
Singin’ “Senzenina, Senzenina”
Singin’ “We shall overcome!”
