Hi Craig,

Happy New Year from us! We have been resting this holiday after a **hugely successful** 2015 at the Gay Men's Chorus of Washington, and we hope you've had time with family and friends during the holidays. If you didn't get to see our holiday concert, you can see some videos of it [here!](#)

We're writing with **one more wish for 2015**. GMCW has grown in so many ways this year:

- with our [GenOUT Chorus](#)
- with more than 90 outreach performances in the community
- and with our [historic concert tour of Cuba](#)

We want to continue pushing the boundaries and

growing GMCW as we start 2016. If you haven't donated to GMCW before, we're asking for your help.

Don't worry, we're not asking for a lot of help, just a little bit. If **each of you who receives this email donates \$20** to GMCW today, we'll be able to **completely fund our GenOUT youth chorus** for an entire season, and you'll see more great performances like this from local LGBT and allied youth:

GenOUT Chorus - Holiday 2015

Please join us in supporting Washington's favorite chorus and Washington's newest youth chorus.

Happy New Year!
