## Association of Baltimore Area Grantmakers Leadership Development and Emergency Succession Plan

### 1. Rationale

The executive director position in a nonprofit organization is a central element in the organization's success. Therefore, insuring that the functions of the executive director are well-understood and even shared among senior staff and volunteer leaders is important for safeguarding the organization against unplanned and unexpected change. This kind of risk management is equally helpful in facilitating a smooth leadership transition when it is predictable and planned.

This document outlines a leadership development and emergency succession plan for the Association of Baltimore Area Grantmakers. This plan reflects ABAG's Executive Succession Policy and its commitment to sustaining a healthy functioning organization. The purpose of this plan is to insure that the organization's leadership has adequate information and a strategy to effectively manage ABAG in the event the executive director is unable to fulfill her duties.

### 2. Plan Implementation

The Board of Directors authorizes the Board Chair to implement the terms of this emergency succession plan in the event of a planned or unplanned temporary or short-term absence.

- It is the responsibility of the Executive Director to inform the Board of Directors of a planned temporary or short-term absence, and to plan accordingly.
- It is the responsibility of the Strategic Initiatives Director to immediately inform the Board Chair of an unplanned temporary or short-term absence.
- As soon as feasible, following notification of an unplanned temporary or short-term absence, the Board President shall convene an Executive Committee meeting to affirm the procedures prescribed in this plan, or to modify them if needed.
