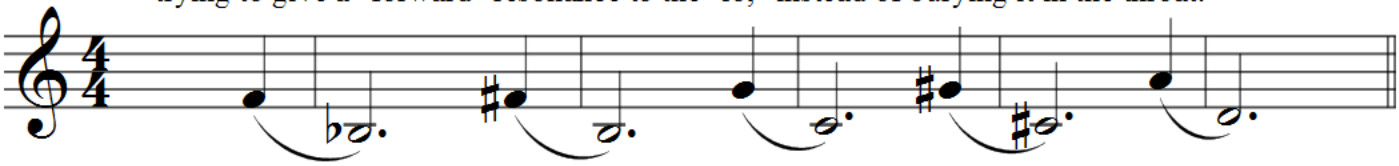
Singing Through the Break

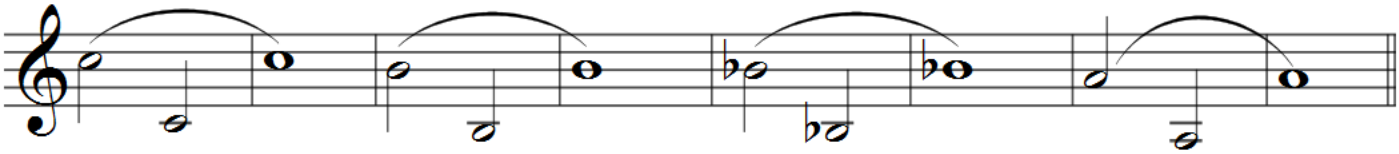
First SPEAK the word "Hel-LO" several times, with emphasis on the "lo." Then sing the pattern, trying to give a "forward" resonance to the "lo," instead of burying it in the throat.

1

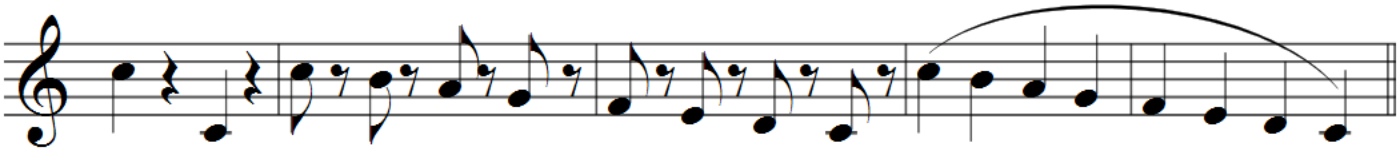


Hel - lo. Hel - lo. Hel - lo. Hel - lo. Hel - lo. (etc.)

2

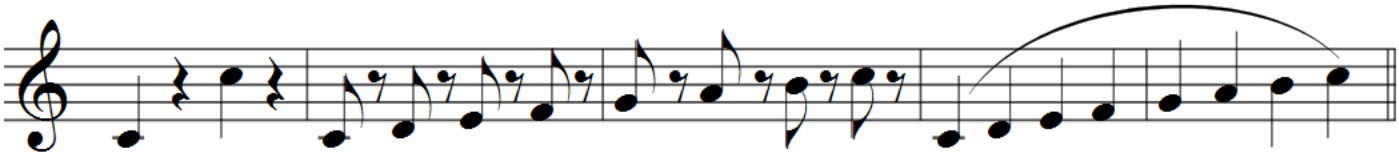


Hoo, oh, oo. Hoo, oh, oo. Hoo, oh, oo. Hoo, oh, oo. (etc.)



Ee, ee. Ee, ee, ee, ee, ee, ee, ee, ee. Ee... ... ...ee.

(Move up or down a half step)



Ee, ee. Ee, ee, ee, ee, ee, ee, ee, ee. Ee... ... ...ee.

(Move up or down a half step)
