Choruses make communities stronger. We make choruses stronger.

Best wishes to the GALA community for a fabulous Festival 2016. You're singing along with your chorusmates!

Gender-Inclusive Language at Festival 2016

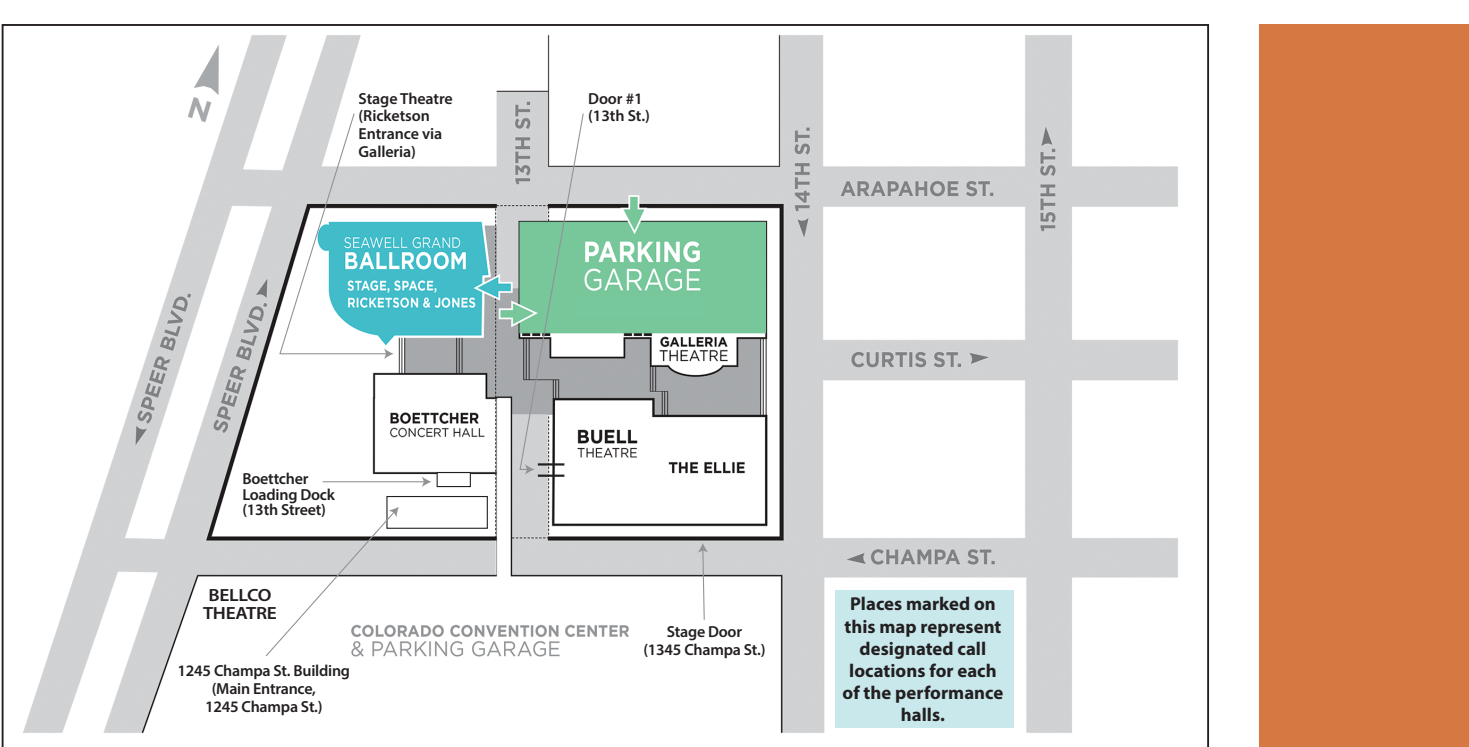

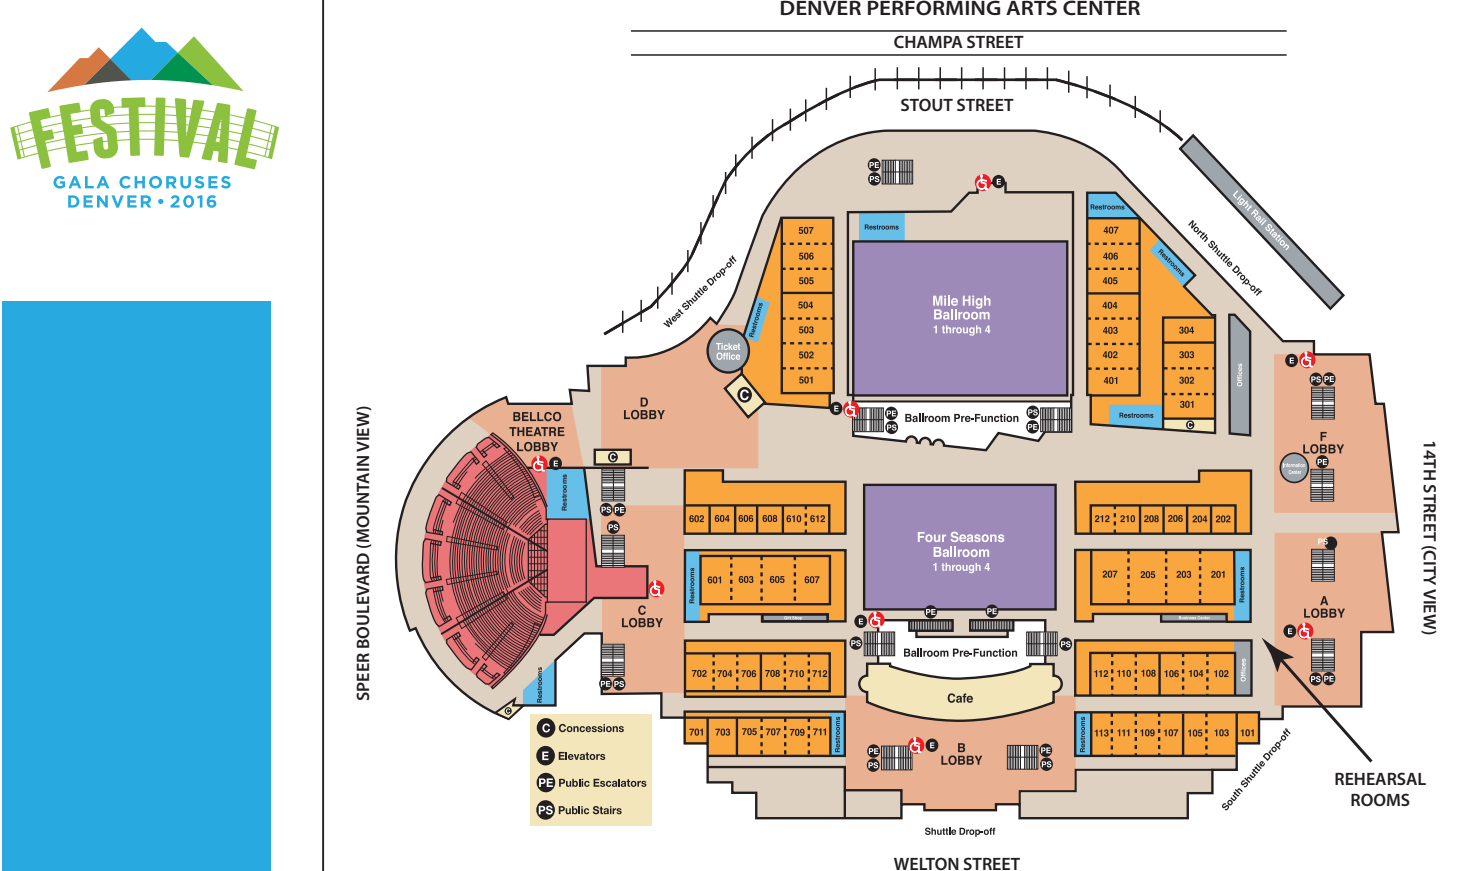

GALA Choruses strives for gender inclusive language in recognition of the many genders represented within our choruses. Please refer to voice sections by voice-part rather than by gender. We appreciate your participation in addressing our members in the most gender-inclusive ways possible.
