

# On the Day We Are Together Again

Gathering song for GALA Festival 2024

Words and music by Humbird

Arr and adapted by Jane Ramseyer Miller

New lyrics for July 10 with permission from Humbird:

Today we are together again (2x)

Let us circle in close

like a hoop with no end

For today we are together again

CHORUS:

Today we are singing again. (2x)

Let us raise up our voices,

let the harmonies blend

For today we are singing again.

For the ones that we love who are gone

We remember their stories

and we sing their songs

For the ones that we love who are gone.
