

2026 LEADERSHIP SYMPOSIUM FEBRUARY 12-15 COLUMBUS, OH

Shark Tank Information

The Shark Tank contest will be hosted on Saturday, February 14th during Symposium. Any member chorus with an annual budget less than \$300,000 is welcome to compete for the chance to receive a \$5,000 grant for a project that adds value to their chorus and community. This could be a commission, a tour, an outreach program, etc. (These are just examples, not limitations. The project scope is only limited by your creativity and needs.)

- The amount to be awarded to the winning group is \$5,000.00.
- Your project may cost more than \$5,000.00.
- Presentation time is 5 minutes per group.
- You may have one presenter or a group.
- You will have ample opportunity to rehearse before the actual presentation.
- There will be a group of judges who make the final decision. These are good folks who have contributed to GALA Choruses for years.
- Please fill out the attached application and send it in by **MONDAY, FEBRUARY 9, 2026.**

At Symposium 2026, in Columbus, there will be a gathering of all applicants to rehearse and receive feedback on their presentations on Saturday at 10:15am in the Shed Lounge, before the judges panel starts at 2:15pm. You will have the opportunity to fine tune and work through any “jitters”! At last year’s Symposium this turned out to be a fun, inspiring gathering with new friendships created and individual public speaking skills enhanced.

GALA Choruses wants this to be an enjoyable, low stress, creative opportunity. The application process is easy. There is help available with the application or any fine tuning you may desire. You only have to reach out. The hope is that all groups with a desire to receive funds for an experience outside your norm will apply.
